

JOIN A TEAM!!!

We were meant to follow God together with other people. Joining a team gives you an opportunity to grow in your relationship with God, to build friendships with others in the church and use your gifts to serve others. Teams need people of all sorts of different gifts and there are different teams to match different passions. Find the one that is where God wants you right now. On October 4, we will give you an opportunity to learn more about all the teams at FRBC.

Build the team

Each team will involve prayer, worship, community life, service and discipleship. Some teams will emphasize one or more aspect more than the other ones, but each team will be growing in them all. Each person on the team is important in helping these grow. Here are some examples of ways you could contribute:

- Perhaps you could remind people to stop and pray when no one knows what to do.
- Or perhaps you can remind people to serve as an act of worship.
- Or maybe you can invite your team over for supper
- Maybe you can share something you learned that week about following God.
- Or maybe you can suggest some ideas about where you could serve together as a team

Use your gifts and imagination because your team needs your contribution!

Pick a primary team

You may choose to be involved in more than one team. We encourage you to pick a primary team to commit to and to let the leader of that team know that it is your primary team. Although we will all contribute to building any team we are on, we will put most of our efforts on our primary team.

Start a team

Is there some passion in your heart that you would like to be doing? Can you find 2 or 3 people to join you? Then maybe God is calling you to start a team! The possibilities for teams are endless. Teams can be discipling and leading people who don't know Jesus at all or they can be teaching people who have been following God a while. They can be serving people inside the church or serving people who don't attend church.

You don't need any previous experience to be a team leader; just a passion for your team and a commitment to follow God's leading. You will get to be part of a group of team leaders to connect with each other and God for encouragement and challenging. Talk to an Elder if you would like to start a team.
