

What is Human Trafficking?

"Human trafficking involves the recruitment, transportation, harbouring and/or exercising control, direction or influence over the movements of a person in order to exploit that person, typically through sexual exploitation or forced labour.

It is often described as a modern form of slavery."

Freedom Prayer Network

is a ministry of

Fort Richmond Baptist Church.

The Steering Team is comprised of members/adherents of FRBC and is co-led by Lowell and Marla Friesen.

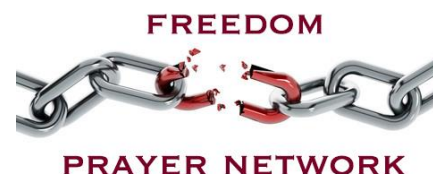

God has laid on the hearts of the leadership to support ministries that are already responding to issues surrounding human trafficking.

Planning Teams are created for each event or aspect of the ministry.

Individuals outside of FRBC may participate on a planning team by contacting Lowell and Marla Friesen (fpn@frbc.ca).

FREEDOM FAIR

This prayer and worship evening is a "fair style" event where faith based ministries, fighting against human trafficking, are invited to share information and prayer requests about their ministry. Through music, corporate and small group prayer, the goal is to support, encourage and uplift front line ministries in prayer. This event takes place in the fall.

DAY FOR FREEDOM

This day long radio campaign on CHVN correlates with Manitoba's Human Trafficking awareness day in March. Through interviews, a different front line ministry is featured each hour as a way of highlighting the different aspects of human trafficking in Winnipeg, Canada and around the world.
