

# FREEDOM PRAYER NETWORK

Supporting ministries that are  
responding to issues of human trafficking  
in Winnipeg, Canada and around the world.

Freedom Prayer Network is a ministry out of Fort Richmond Baptist Church. It is our mission to:

- Encourage and support ministries
- Empower ministries through prayer
- Engage the church to respond

## MONTHLY PRAYER GUIDE

We invite you to pray for **one hour each month** for ministries that are on the frontline dealing with human trafficking issues and needs. Consider inviting your small group or Bible study group that you might already be meeting with, to dedicate one hour of your meeting time, once a month to praying for front line ministries. Our goal is to shore up alongside them, in prayer, so that they may be most effective in their ministry. You may notice that our suggestions will focus more on ministry and leadership and less on the needs of participants these ministries are serving. We can see from a worldly perspective that much is being discussed regarding the need to end human trafficking. Our desire is to see healthy, Christ-centered ministries pouring out the love of Christ and meeting the needs of those they are serving, in the most powerful and effective manner. The Church has the opportunity to actively engage with these ministries by calling on the power of the work of the Holy Spirit to accomplish this goal.

Because of the sensitivity and confidentiality of the work that some of the ministries are involved in, we can't always share very specific prayer requests. But we know that the Holy Spirit knows each situation best. If you would like to meet with a group of people to pray, please check the Freedom Prayer Network tab at [www.frbc.ca](http://www.frbc.ca) for confirmed dates and times. You may also commit to praying for one hour on your own. All prayer is valuable!

If you or your group needs more guidance or suggestions, please contact Marla and Lowell Friesen at [fpn@frbc.ca](mailto:fpn@frbc.ca). Please use this resource how ever it might best suit your group. If you would like to report back to us any words of encouragement, pictures or scripture that came to mind during your prayer time, we would love to hear from you.
